Texas Sporting Gossip

By D. W. Hornaday

It is not generally known that the champion woman shot of the world resides in San Antonio. But such is the case. She is Mrs. Adolph Toepferwein. Her husband, Adolph Toepferwein, is also one of the world's best shots. Mr. and Mrs. Toepferwein are back in the city after a long trip through the western and Pacific coast states. During the trip Mrs. Toepferwein was very successful. She shot at a total of 4945 targets, under various conditions, and hit 4729, an average of over 90 percent. Her most important win was at Seattle, Wash., where she defeated a big field of the best shots of the Pacific coast and Canada. At the Arizona state shoot, held at Phoenix last week, she won the high average over all men and women, making a score of 547 out of a total of 590. During the trip she made 18 runs of 100 or better. She broke 156 targets at one time without a miss.

A fine of \$25 was inflicted against Shreveport. The Philadelphia club also was fined \$100 for giving the Shreveport club permission to try the player out.
